## SUPER CONCENTRATED GREEN SPRAY PATTERN INDICATOR

### GENERAL INFORMATION

2DYE4 GREEN SC is a super concentrated, professional applicator's grade temporary colorant solution used to help eliminate overlapping or skipping areas.

2DYE4 GREEN SC is designed for use on golf courses, parks, or any other turf or commercial spray application. Can also be used to enhance hydroseeding or with a straw tacking mulch application.

2DYE4 GREEN SC is a unique water soluble spray colorant for use with herbicides, fungicides, insecticides, grass growth retardants, wetting agents and liquid fertilizers.

2DYE4 GREEN SC ensures accurately, uniformly and economically applied products.

- Eliminates Spray Overlap
- Prevents possible burns, plant damage and skipped areas resulting in costly re-spraying
- Economical; saves time, money and reduces chemical volumes, detects spraying faults
- Clogged nozzles and partial blockages can quickly identify Off Target Application

Suitable for All Types of Spray Equipment Including: Boom Sprayers and Walkovers. Non Toxic and Non Corrosive.

Doesn't harm animals or the environment.

The dye lasts 24-48 hours and will wash off with rainfall or degrade with sunlight.

**CAUTION**  
KEEP OUT OF REACH OF CHILDREN

**STORAGE AND DISPOSAL**

Do not use aluminum or copper (including brass or bronze) components in any handling or storage equipment for this product. Mild steel components should not be used except for emergency, or temporary, short-term service. Use stainless steel (316 or better), polyolefin (polyethylene, polypropylene, etc.), fiberglass, or other high-quality acid-resistant plastic materials. Check with equipment manufacturer for compatibility of components prior to use with this product.

**STORAGE INSTRUCTIONS:** Protect from freezing. Store above 40°F. Freezing will not harm product's effectiveness. Store in original container tightly closed, do not allow water to be introduced into contents of this container.

**CONTAINER DISPOSAL:** Do not contaminate water, food, or feed by storage or disposal. Triple rinse (or equivalent) and add rinsate to spray tank, then offer for recycling or reconditioning, or puncture and dispose of according to state and local authorities. If burned, stay out of smoke.
