

FERTI-BUFF

0-8-0 Acidifier

GENERAL USE INFORMATION – READ ENTIRE LABEL BEFORE USING THIS PRODUCT

GENERAL INFORMATION

FERTI-BUFF 0-8-0 is an acidifier for use with agrichemicals. FERTI-BUFF 0-8-0 is especially useful for reducing hydrolytic breakdown of various pesticides, such as organophosphate insecticides, in alkaline solutions.

COMPATIBILITY

FERTI-BUFF 0-8-0 is compatible with phosphate carbamate and chlorinated hydrocarbon insecticides. Use care when combining with copper fungicides since this product may cause plant injury. DO NOT COMBINE WITH 2, 4-D, FORMULATION, as a precipitate may form and herbicidal activity be reduced. If any question of compatibility arises, a small test batch should be made prior to full batch mixing. NOTE: Bait products may be less effective when mixing with FERTI-BUFF 0-8-0.

READ ENTIRE LABEL. USE STRICTLY IN ACCORDANCE WITH CAUTIONS AND DIRECTIONS.

DIRECTIONS FOR USE

CONSULT YOUR LOCAL FERTIZONA REPRESENTATIVE OR OTHER AGRICULTURAL SPECIALIST FOR SPECIFIC CROP RECOMMENDATIONS.

Read and follow the precautions, restrictions, and recommendations on the labels of pesticides used with FERTI-BUFF 0-8-0. Use according to the most restrictive label directions for each product in any tank mixture.

COMPATIBILITY: FERTI-BUFF 0-8-0 is compatible with most pesticides. However, if the desired combination has not been previously used, a compatibility test is recommended.

MIXING: Fill spray tank ½ full of water and begin agitation. Add FERTI-BUFF 0-8-0 and mix thoroughly. Add pesticides as directed by label or in the following sequence: (1) Dry flowables or water dispersible granules, (2) Wettable powders, (3) Flowables, (4) Solutions, (5) Emulsifiable Concentrates. Continue agitation while completely filling spray tank.

RECOMMENDATIONS: Specific use rates will vary with conditions of application such as water hardness, application method, equipment, spray droplet size, condition of foliage, etc. Use enough FERTI-BUFF 0-8-0 to achieve the desired level of acidulation and buffering.

Use ½ to 2 qts. FERTI-BUFF 0-8-0 per 100 gallons to reduce the pH of alkaline waters for pesticide applications.

Concentration:	1 pt./100 gal.	1 pt./300 gal.	1 pt./500 gal.
pH:	6.3	6.7	7.0

DO NOT OVER-APPLY. Dosage rates or concentrations higher than suggested can cause slight burning of foliage of susceptible crops.

CAUTION: Tank mixtures of FERTI-BUFF 0-8-0 with copper-based products can be phytotoxic due to increased solubility of copper.

PRINCIPAL FUNCTIONING AGENTS:

Phosphoric Acid..... 8%
 Constituents Ineffective as spray adjuvant..... 92%
 Total..... 100%

Phosphate derived from Phosphoric Acid.

MSDS available upon request.

NET WEIGHT:

10.3 LBS. PER GAL.

Freezing Temperature 40° F

1 Gal. (3.785 L), 10.3 lbs. (4.672 kg)

STORAGE AND DISPOSAL

Do not use aluminum or copper (including brass or bronze) components in any handling or storage equipment for this product. Mild steel components should not be used except for emergency, or temporary, short-term service. Use stainless steel (316 or better), polyolefin (polyethylene, polypropylene, etc.), fiberglass, or other high-quality acid-resistant plastic materials. Check with equipment manufacturer for compatibility of components prior to use with this product.

STORAGE INSTRUCTIONS: KEEP PRODUCT IN ORIGINAL CONTAINER. DO NOT PUT CONCENTRATED OR DILUTED PRODUCT INTO FOOD OR DRINK CONTAINERS. DO NOT STORE AT TEMPERATURES BELOW 32° F. AVOID PROLONGED STORAGE AT TEMPERATURES BELOW 20° F. SINCE CRYSTALS MAY FORM WHICH ARE DIFFICULT TO DISSOLVE.

CONTAINER DISPOSAL: Do not contaminate water, food, or feed by storage or disposal. Triple rinse (or equivalent) and add rinse to spray tank, then offer for recycling or reconditioning, or puncture and dispose of according to state and local authorities. If burned, stay out of smoke.

ATTENTION: This product contains chemicals known to the State of California to cause cancer and birth defects or other reproductive harm.

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS

DANGER: Corrosive, causes eye and skin damage (or skin irritation). Do not get in eyes, on skin, or on clothing. Wear goggles or face shield and rubber gloves when handling. Harmful or fatal if swallowed. Avoid breathing spray mist. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse. Do not apply this product in a way that will contact workers or other persons, either directly or through drift. Only protected handlers may be in the area during application.

ENVIRONMENTAL HAZARDS

For terrestrial uses, do not apply directly to water, or to areas where surface water is present, or to intertidal areas below the mean high water mark. Do not contaminate water when cleaning equipment or disposing of equipment washwaters.

DANGER/PELIGRO

Si usted no entiende la etiqueta, busque al alguien para que se la explique a usted en detalle. (If you do not understand this label, find someone to explain it to you in detail.)

FIRST AID

IF IN EYES: Immediately flush eyes with plenty of water and get medical attention.
IF ON SKIN: Immediately wash skin with plenty of soap and water while removing contaminated clothing and shoes. If irritation persists, seek medical attention.
IF SWALLOWED: Call a physician or Poison Control Center. Drink 1 or 2 glasses of water. If so advised by a physician or Poison Control Center, induce vomiting by touching back of throat with finger. Do not induce vomiting or give anything by mouth to an unconscious person.
IF INHALED: Remove victim to fresh air.

NOTICE

**READ ENTIRE LABEL BEFORE USE,
