

GROWING SMARTER

BURN-IT

SPRAY ADJUVANT

For Postemergence Applications with Herbicides

PRINCIPAL FUNCTIONING AGENTS:

Total of all active components..... 100.0%
(Active components include Methylated Seed Oil)

Ingredients exempt from requirement of residue tolerances under
TITLE 40 of the Code of Federal Regulation 180.1001(c).

MSDS available upon request

KEEP OUT OF REACH OF CHILDREN
CAUTION

See Inside Booklet for Additional Precautionary Statements
and Complete Directions for Use.

FIRST AID

IF SWALLOWED:

- Call a Poison Control Center or doctor immediately for treatment advice.
- Have person sip a glass of water if able to swallow.
- Do not induce vomiting unless told to by a Poison Control Center or doctor.
- Do not give anything to an unconscious person.

IF INHALED:

- Move person to fresh air.
- If person is not breathing, call 911 or an ambulance then give artificial respiration, preferably mouth-to-mouth if possible.
- Call a Poison Control Center or doctor for further treatment advice.
- Have the product container or label with you when calling a Poison Control Center or doctor or going for treatment.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Harmful if swallowed or inhaled. Avoid breathing spray mist. Wear long sleeved shirt, long pants, and shoes plus socks when mixing or handling concentrate. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Remove and wash contaminated clothing before reuse.

ENVIRONMENTAL HAZARDS

Do not contaminate water when cleaning equipment or disposing of equipment washwaters.

GENERAL INFORMATION

BURN-IT is a multicomponent spray adjuvant developed to maximize the performance of most postemergent herbicides. This product may be used as a replacement for non-ionic surfactants and crop oil (petroleum oils) in most postemergence herbicide spray mixes. Methylated seed oils have been tested by universities and research indicates methylated seed oil improves the performance consistency of post emergence herbicides such as Assert®, Pursuit® and other herbicides. Assert and Pursuit are registered trademarks of BASF.

DIRECTIONS FOR USE

Consult your local Fertizona representative or other agricultural specialist for specific crop recommendations.

SHAKE WELL BEFORE USING

Keep container closed in storage. Do not allow water to be introduced. Read all directions for use before applying. Use **BURN-IT** at 1.5-2.0 pints/acre with the herbicide of choice. Always read and follow the label of the herbicide to be used with **BURN-IT**. The 2.0 pint/acre rate may be required if weed populations are extreme or if plants are stressed at the time of treatment. Always add **BURN-IT** last to the spray mix and continue agitation or follow specific tank filling and mixing information provided on the herbicide label. Refer to the herbicide label for additional recommendations or precautions.

STORAGE AND DISPOSAL

STORAGE INSTRUCTIONS: Keep product in original container. Do not put concentrated or diluted product into food or drink containers. Do not store at temperatures below 32° F. Avoid prolonged storage at temperatures below 20° F since crystals may form which are difficult to dissolve. **CONTAINER DISPOSAL:** Do not contaminate water, food, or feed by storage or disposal. Triple rinse (or equivalent) and add rinseate to spray tank, then offer for recycling or reconditioning, or puncture and dispose of according to state and local authorities. If burned, stay out of smoke.

NOTICE

READ ENTIRE LABEL BEFORE USE. IF TERMS ARE UNACCEPTABLE RETURN AT ONCE UNOPENED.

Fertilizer Company of Arizona, Inc. warrants that this product conforms to the chemical description on the label thereof and is reasonably fit for the purposes stated on such label only when used in accordance with the directions under normal use conditions. It is impossible to eliminate all risks inherently associated with the use of this product. Crop injury, ineffectiveness, or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or the manner of use or application, all of which are beyond the control of Fertilizer Company of Arizona, Inc. In no case shall Fertilizer Company of Arizona, Inc. be liable for consequential, special or indirect damages resulting from the use or handling of this product. The buyer shall assume all such risks. Fertilizer Company of Arizona, Inc. makes no warranties of merchantability or fitness for a particular purpose nor any other express or implied warranty except as stated above.
