

SIL-SPREAD

ORGANOSILICONE SURFACTANT

GENERAL USE INFORMATION – READ ENTIRE LABEL BEFORE USING THIS PRODUCT

GENERAL INFORMATION

SIL-SPREAD is a high quality non-ionic organosilicone surfactant. It is a superior wetting agent and penetrator designed for use with most pesticides. **SIL-SPREAD** will enhance the spreading and penetration of pesticide sprays when properly applied, especially on leafy vegetables and other crops with heavy foliage. It is recommended that the applicator first conduct a trial under similar crop and environmental conditions to determine the optimum rate.

This product is exempt from EPA requirements under Title 40 CFR 180.1001 subparagraph C and D.

NOTICE

READ ENTIRE LABEL BEFORE USE,
IF TERMS ARE UNACCEPTABLE RETURN AT ONCE – UNOPENED.

Fertilizer Company of Arizona, Inc. warrants that this product conforms to the chemical description on the label thereof and is reasonably fit for the purposes stated on such label only when used in accordance with the directions under normal use conditions. It is impossible to eliminate all risks inherently associated with the use of this product. Crop injury, ineffectiveness, or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or the manner of use or application, all of which are beyond the control of Fertilizer Company of Arizona, Inc. In no case shall Fertilizer Company of Arizona, Inc. be liable for consequential, special or indirect damages resulting from the use or handling of this product. The buyer shall assume all such risks. Fertilizer Company of Arizona, Inc. makes no warranties of merchantability or fitness for a particular purpose nor any other express or implied warranty except as stated above.

PRINCIPAL FUNCTIONING AGENTS:

A blend of polydimethylsiloxane non-ionic surfactants..... 99.0%
Inert Ingredients..... 1.0%

MSDS available upon request.

NET WEIGHT:

2.04 LBS. PER QT.

1 Qt. (0.946 L), 2.04 lbs. (0.925 kg)

DISPOSAL

CONTAINER DISPOSAL: Do not contaminate water, food, or feed by storage or disposal. Triple rinse (or equivalent) and add rinsate to spray tank, then offer for recycling or reconditioning, or puncture and dispose of according to state and local authorities. Contact County Ag. Commissioner for disposal information.

DIRECTIONS FOR USE

CONSULT YOUR LOCAL FERTIZONA REPRESENTATIVE OR OTHER AGRICULTURAL SPECIALIST FOR SPECIFIC CROP RECOMMENDATIONS.

To prevent foam, the addition of FOAMSTOP, an anti-foaming agent, is suggested before **SIL-SPREAD** is added to the spray water. Do not add any other surfactants to **SIL-SPREAD**. Spray thoroughly, avoiding excess runoff of the spray solution.

Rates: Use 2-12 oz. per acre in spray solution. Use the lower rates in applications where low water rates are used.

Note: The above rates are considered to be adequate for most uses. Some herbicides may require higher rates for optimum uses. Follow the herbicide label directions when this occurs. However, do not add this product at a rate that exceeds 5% of the finished spray volume.

PRECAUTIONARY STATEMENTS

Hazardous to humans and domestic animals. **CORROSIVE:** Causes eye damage and skin irritation. Do not get in eyes, on skin or on clothing. Wear goggles or face shield when handling. Harmful if swallowed.

FIRST AID

IF IN EYES: Wash the eyes with large amounts of water for at least fifteen minutes. Seek immediate medical treatment.

IF ON SKIN: Immediately wash the contaminated area. Seek medical attention if skin irritation persists.

IF SWALLOWED AND PERSON IS CONSCIOUS: Immediately give large volumes of water. Do not induce vomiting. Seek immediate medical treatment.
